President’s Letter

Dear members:
This will be my last letter as President of Newcomers. The past three years that Julia and I have been with Newcomers helped us to adjust to our new town. Through the club, we have met many wonderful people and made new friends.

During my term as president I was fortunate to have a supportive board that has always kept the principals of the club in focus. I would like to recognize them for their efforts. Doug Cheek, Vice President, provided interesting speakers and kept their presentation under 20 minutes, which can be a challenge. Sue Harvie, Secretary, kept accurate records and proofed my monthly president letters. Dave Pfluge, Treasurer, balanced the books to a penny and enjoyed handing out the money to the 50/50 winners at the meetings. Les Coble, Activities Director, supported all of the activity leaders and introduced Ice-Breaker games at the meetings, (sometimes there was even candy awarded.) Cindy and Lee Harrington, Co-Social Directors coordinated a festive Holiday Party and arranged Toys for Tots, which was a big success. Joan Wilson, Membership Director, kept an accurate membership record and without her we would not be able to find our badges at the monthly meetings. Robin Melton, Communication Director, as Webmaster she uses her talents to create an interesting and user friendly website.

I want to thank All of the Activity Leaders, for without their efforts the club would not be what it is. Special thanks to Sandie Swigart, Founder/ Advisor, she started the Newcomers Club over 30 years ago and hundreds of friendships have been formed through this club.

Please check the Activities Calendar, since there are a limited amount of activities that happen during the Summer months.

Thanks again for your support and have a safe and healthy Summer

Tony Tauber- President.

Biking

The Newcomers/Alumni Bicycling Group is for those individuals who like to get exercise while enjoying the scenery around New Bern. We feature 'no drop' rides--which means we don't leave anyone behind! We take breaks as needed. Routes will vary. We often stop for a luncheon after rides. A road safe bike and helmet is required.

**Scheduled Events:**
The activity leaders check the weather and weigh other factors as to when an event can be scheduled. Due to these factors, events are scheduled with short time frames (within 1 to 2 weeks.)

*To Attend:* Interested members will be emailed details of a scheduled activity several days in advance. Simply show up at the location at the scheduled day and time. There is no limit on the number of attendees. *To be added to the groups email list, sign up at a meeting or email the group leader.*

“Bocce” is a plural of the word “boccia” meaning ball in **Italian**. Many believe the ancient Phoenicians, Egyptians, Greeks, & Romans invented an early form of **bocce**. One theory suggests their soldiers played with rocks to pass time in-between battles. The simplicity is the fun part. Simply roll your ball as close as possible to the target ball, and win points for your team! The game can be played by participants in singles, doubles or four person teams.

So, what makes an awesome bocce player...You! Bring water to the court and meet your fellow Bocce players, and enjoy your success.

Bocce will take place every Monday from 10:00 AM to Noon at Creekside Park.

*To Attend:* Interested members will be emailed details of a scheduled activity in advance. Simply show up at the location at the scheduled day and time. There is no limit on the number of attendees. **To be added to the groups email list, sign up at a meeting or email the group leader.**

Bunco is a social dice game, traditionally played with 12 players who are divided into three tables with four players at each table. But really, almost any number can play. It is a simple, no skill, dice game. You sit at a table of four with a partner across from you; then the partners rotate as the game continues. If you can toss three dice and recognize the numbers on the dice, then you can play this game! Seeking 8 to 16 participants.

Those interested will be emailed with the address. It will cost $5 to play and the money is paid back in prizes so please have the exact amount.

To Attend: Interested members will be emailed details of a scheduled activity several weeks in advance. Simply respond to the email if you will be attending. To be added to the groups email list, sign up at a meeting or email the group leader.

Mexican Train Dominoes

Mexican Dominoes is for afternoon and evening games. The afternoon game, the first Tuesday of each month at 1:00, and the evening game, the third Tuesday of each month at 6:30, are held in the side room at Moore’s Olde Time BBQ & Seafood Restaurant, 3621 Dr MLK Blvd. We start on time so please arrive 15 minutes early. Purchase your lunch or dinner well in advance of start time, to avoid eating during play (too messy).

Often played with double 9 or double 12 dominoes, the object of the game is to be the first to play all your dominoes, or at least as many high-point dominoes as possible, in each round. The lowest total score after all rounds wins. It is that easy and allows for conversation, food and drink to be enjoyed.

To Attend: Interested members will be emailed details of a scheduled activity several weeks in advance. Simply respond to the email if you will be attending. An RSVP is required; Space is limited. To be added to the groups email list, sign up at a meeting or email the group leader. If you own a set of ‘Double 12 Dominoes’ please advise Kathy when you RSVP to attend.

Pickleball is a game created in the 1960s that has become one of the fastest growing sports in the last 5 - 10 years, especially for Baby Boomers. It is a fun racket sport that is less taxing on the body than tennis yet is just as fun and can be a real workout. It is played on a court about half the size of a tennis court with a ball similar to a whiffle ball and paddles about twice the size of a ping-pong paddle. It is easy to learn and you can get very sophisticated in game play. If you played tennis, racket-ball or table tennis or badminton before that really helps. There are even PB Professionals and national championships. Search for lessons or watch matches on youtube.

Participants will be notified by email of each event location and details. Advance sign-up is offered at the monthly New Bern Newcomers meeting.

Tastings is a combined activity of the Newcomers and Alumni clubs (formerly named Wine Group at Alumni.) Wine tasting and food pairings are made easier when attending a professionally-planned event. Our group meets May through June (6 to 8 events per season) to sample 4 to 6 wines, hosted in member’s homes, restaurants and wine shops. A great opportunity to taste world wines and learn about the vineyards and grapes used in their production.

All events involve the pairing of wine and foods. It is a goal for attendees to learn “What do you like?” Examples of past events include wine pairings at local restaurants, with the wine distributor pairing with locally prepared hors d’oeuvres and small plates. It is preferred an event not be limited in attendance, but when necessary it will be announced with the notification of the event. Occasionally pre-payment may be necessary. Price per person varies with the evening.
