www.newbernnewcomers.org

June 2016 - May 2017

Greetings and Welcome to New Bern!

The Newcomers Club of New Bern would like to welcome you to the community. We think you will find that New Bern and the surrounding area have lots of interesting activities and adventures to offer you. There is no end to the diversity of activities and adventures you will find and experience as you come to know and enjoy your new community.

Moving into a new community and making new friends can seem like a daunting challenge and we at Newcomers want to help you make that transition as smoothly as possible. Our club members come from all parts of the country and bring with them many interesting experiences and skills. One of the main reasons the community of New Bern is so rich in culture and has so much to offer is because of what new arrivals like you bring to our area.

We are glad you have chosen New Bern as your new home and we look forward to meeting you and helping you learn more about our wonderful city.

As of June 2016 we have over 300 members who meet the criteria as "New Comers" to the New Bern area. Our backgrounds are quite varied and we come from almost half the country. The 2016 New Comers Map shows where the current members relocated to the New Bern area from.

New York, Virginia, and Maryland were home to the largest numbers of those who moved here. It is interesting distant states such as California and Texas tied

with in-state North Carolina movers in second place.

We Hope You Will Join Us!

The purpose of our newsletter is to introduce you to the Newcomers Club and what we have to offer. The Newcomers Club meets on the second Wednesday of each month from September through May, at 7:00PM at the Harrison Ministry Center (formerly known as the Christ Episcopal Church Ministry Center), located at 311 Middle St (building next to the Bank of the Arts) in downtown New Bern. To join Newcomers, simply complete the attached membership application and send it to our Membership Chair, Debbi Martin, along with your membership dues. It's as easy as that.

Benefits of Membership

When you join Newcomers Club, you will receive a monthly newsletter (via email) listing club news and current schedule of activities.

Each month at the general meeting, we bring in a speaker, or feature an entertainer, to introduce a new or important aspect of New Bern you may not have yet experienced. Our Activity Leaders also update our membership on new events and activities being planned each month. Our monthly meetings are an excellent opportunity to meet new people and socialize while enjoying refreshments (provided by members on a rotating basis).

You will also receive a club membership directory with all the contact information of our club members. You might even find someone in the directory that's from your hometown area.

Bicycling Group (Both Newcomers & Alumni Participants Welcome)

The Bicycling Group's goal is to enjoy the benefits of riding while making new friends. Join us for exercise and fresh air. All levels are welcome! We pace to the slowest rider; nobody is left behind. When the route allows, participants will be able to select a longer, faster option or a shorter, more leisurely one and we take breaks as needed. The group aims to have at least 1 - 2 rides per month, depending on the weather and a different route is selected each month.

The following gear is requested or suggested:

1. A working bicycle (brakes, gears) with adequate safety items – lights, reflectors, etc.
2. A helmet is mandatory.
3. Carry adequate supply of water.
4. Casual clothing (shorts) and top with bright colors.

An email, including directions to a starting point, is sent out mid-week for the weekend rides. Some mid-week rides are also scheduled. We usually send a route itinerary with distances of each segment.

Golf Group (Both Newcomers & Alumni Participants Welcome)

Newcomers Golf is based on the premise that the game should be fun. Making friends is paramount; proficiency is immaterial. We welcome all skill levels. Rules are what each player wants them to be. Some players adhere to the stricter rules of the USGA, while others follow the lax GW rules -- count every stroke that you like. If you don't like it, don't count it; or finally, don't count anything and pick up your ball any time you wish!

We schedule an outing once a month, normally on a Wednesday or Thursday, and play 12 months of the year. We travel to courses in the New Bern area and try to keep within a one-hour drive. We also arrange carpooling for the out-of-New Bern trips.

If this sounds like something you would enjoy, come join us. You will have a good time. Sign up required for each month's golfing event. Emails are sent out monthly with information on each month's golfing venue. You can sign up for each month's golf outing at the general meeting or email Tony Guadagnino.

Outdoor Adventure (Both Newcomers & Alumni Participants Welcome)

Throughout the year, we try to choose outdoor activities that are appealing to everyone. The adventures are not competitive in nature. The adventures have included: kayaking/canoeing, hiking, kite flying, bicycle riding, and boat rides. We either bring our lunch or stop by a nearby restaurant. We don't have participants sign up unless it is an activity that must be more stringent in head count. Our slogan is "No sign-up, just show up at the event," and rainout is constituted by already raining or bad outlook during the time of the Adventure.
