A Message From the President

Hello!

These may be the cold months of the year, but there is still plenty of activities in the Newcomers Club to do indoors where you can stay warm and have a good time socializing with friends. Whether you like games such as Mexican dominoes, bunco or scrabble, or socializing at wine socials or dining out at great New Bern area restaurants, or day trips to learn about interesting places in our area (like the Hatteras Yachts tour planned for February), there is something for everyone. The Newcomers Club has almost 20 different activity groups where you can find enjoyment and meet new friends....and stay warm!

Our next meeting will be Wednesday, February 13th at the Harrison Center at 311 Middle Street in downtown New Bern. At that meeting, our guest speaker will be Mike Williams, the Executive Director for Habitat for Humanity of Craven County. After 20 years in the financial world, Mike found his passion for developing affordable housing with Habitat in south Florida. Come to learn Habitat's plans for its future in the New Bern area.

We need to start looking ahead to 2019-2020 Newcomers Club. Many of the current Board of Directors will be 'graduating' to the alumni, so there will be several positions that must be filled. Also, some activity leaders will be moving to the alumni and replacements must be found. None of these positions take a huge amount of time, but they keep this great club going so that members find enjoyment and friends in their new home of New Bern. Your involvement makes a difference.

A Nominating Committee will be set up to help us find interested candidates for board positions and Les Coble will be working with activity leaders to find replacements where needed. If you are interested in helping our club, please contact any current board member.

We look forward to seeing you at our next meeting or an upcoming activity.

Regards,
Mary Duquette & Dan Cashman

Meeting Snacks

February Speaker: Mike Williams

Mike Williams has been the executive director for Habitat for Humanity of Craven since April of 2017. Prior to coming to New Bern, Mike spent 7 years working with Habitat for Humanity of South Palm Beach County in Delray Beach Florida. Mike is a native Floridian, born and raised in Jacksonville, FL. He attended Florida State University and holds a bachelor's degree in mathematics. Mike has 20 plus years' experience working retail bank with various financial institutions in the South Florida Market. It is while working with community lending that Mike found his passion for affordable housing. Mike is an experienced and passionate affordable housing advocate who has spent the last 12 years focused on helping those in need of a decent home achieve their dream. While with the Habitat for Humanity of South Palm Beach County, he helped provide home ownership to over 60 families and quality of life improvements to residences of over 150 households holds. Habitat for Humanity of Craven County has complete 2 homes and expect to close 2 additional homes in January and a third home at the beginning of February. Habitat for Humanity of Craven County's goal for next year will be to complete 9 new homes and assist 50 families with critical repair. He fully embraces the Habitat for Humanity vision of a world where everyone has a decent place to live.

Mike believes in building strong relationships with community residents, municipalities, financial institutions, non-profit organizations, faith organizations, businesses, and other stakeholders to work toward community objectives. I believe that "bringing people together to build homes, communities and hope" is the best approach to improving the lives of everyone in the community.

Bocce

“Bocce” is a plural of the word “boccia” meaning ball in Italian. Many believe the ancient Phoenicians, Egyptians, Greeks, & Romans invented an early form of bocce. One theory suggests their soldiers played with rocks to pass time in-between battles. The simplicity is the fun part. Simply roll your ball as close as possible to the target ball, and win points for your team! The game can be played by participants in singles, doubles or four person teams.

So, what makes an awesome bocce player...You! Bring water to the court and meet your fellow Bocce players, and enjoy your success.

Bocce will take place every Monday from 10:00 AM to Noon at Creekside Park.

Bunco - Daytime

Bunco is a social dice game, traditionally played with 12 players who are divided into three tables with four players at each table. But really, almost any number can play. It is a simple, no skill, dice game. You sit at a table of four with a partner across from you; then the partners rotate as the game continues. If you can toss three dice and recognize the numbers on the dice, then you can play this game! Seeking 8 to 16 participants.

Our daytime bunco will take place on the 2nd Tuesday of the month from 10 am to Noon(ish). Those interested will be emailed with the address. It will cost \$5 to play and the money is paid back in prizes so please have the exact amount. The host will provide coffee/tea, soft drinks, bottled water and snacks.

Often played with double 9 or double 12 dominoes, the object of the game is to be the first to play all your dominoes, or at least as many high-point dominoes as possible, in each round. Tastings

Tastings is a combined activity of the Newcomers and Alumni clubs (formerly named Wine Group at Alumni.)

Wine tasting and food pairings are made easier when attending a professionally-planned event. Our group meets Feb through June (6 to 8 events per season) to sample 4 to 6 wines, hosted in member's homes, restaurants and wine shops. A great opportunity to taste world wines and learn about the vineyards and grapes used in their production.

All events involve the pairing of wine and foods. It is a goal for attendees to learn "What do you like?" Examples of past events include wine pairings at local restaurants, with the wine distributor pairing with locally prepared hors d'oeuvres and small plates. It is preferred an event not be limited in attendance, but when necessary it will be announced with the notification of the event. Occasionally pre-payment may be necessary.
