Bocce

“Bocce” is a plural of the word “boccia” meaning ball in Italian. Many believe the ancient Phoenicians, Egyptians, Greeks, & Romans invented an early form of bocce. One theory suggests their soldiers played with rocks to pass time in-between battles. The simplicity is the fun part. Simply roll your ball as close as possible to the target ball, and win points for your team! The game can be played by participants in singles, doubles or four person teams.

So, what makes an awesome bocce player...You! Bring water to the court and meet your fellow Bocce players, and enjoy your success.

Bocce will take place every Monday from 10:00 AM to Noon at Creekside Park.

To Attend: Interested members will be emailed details of a scheduled activity in advance. Simply show up at the location at the scheduled day and time. There is no limit on the number of attendees. **To be added to the groups email list, sign up at a meeting or email the group leader.**

Mexican Train Dominoes

Mexican Dominoes will be available monthly. Events will be at the leader's home, accommodating 12 to 16 members. The afternoon game, the first Tuesday of each month at 1:00, is held at the River Bend Country Club, 94 Shoreline Dr in River Bend. The evening game, the third Tuesday of each month at 6:30, is held at Moore's Olde Time BBQ, 3621 Dr MLK Blvd. We start on time so please arrive 15 minutes early. Purchase your luncheon or dinner by arriving well in advance.

Often played with double 9 or double 12 dominoes, the object of the game is to be the first to play all your dominoes, or at least as many high-point dominoes as possible, in each round. The lowest total score after all rounds wins. It is that easy and allows for conversation, food and drink to be enjoyed.

Tastings

Tastings is a combined activity of the Newcomers and Alumni clubs (formerly named Wine Group at Alumni.)

Wine tasting and food pairings are made easier when attending a professionally-planned event. Our group meets May through June (6 to 8 events per season) to sample 4 to 6 wines, hosted in member's homes, restaurants and wine shops. A great opportunity to taste world wines and learn about the vineyards and grapes used in their production.

All events involve the pairing of wine and foods. It is a goal for attendees to learn "What do you like?" Examples of past events include wine pairings at local restaurants, with the wine distributor pairing with locally prepared hors d'oeuvres and small plates. It is preferred an event not be limited in attendance, but when necessary it will be announced with the notification of the event. Occasionally pre-payment may be necessary. Price per person varies with the evening.
