

JUNE 2023 Newsletter

CLUB PRESIDENT'S MESSAGE

By [Robert Paine](#) / May 31, 2023

I hope you have been able to get outside and enjoy the relatively cool temperatures, when it isn't raining that is. But that rain has given us beautiful flowers and other foliage. There were lots of things to do this past month, both with the club and in town. Sometimes it's difficult to choose among all the offerings!

June 8 is our last meeting before taking a break for summer. This break doesn't mean all activities will stop. At the meeting we will discuss what activities will occur over the summer. We will not have a guest speaker in order to allow you to socialize before we take a couple of months off from meetings.

Maybe you can make plans with someone at the meeting to meet up for coffee, a trip to the aquarium at Pine Knoll Shores or the beach, or whatever you like to do in the summer. There are plenty of people in the club who would love to join you on your adventures.

I have enjoyed serving as your president for the past six months. I wish it had not been necessary, but I appreciate you welcoming me and helping me when I stumbled. Next year I will be serving as your vice president and will be looking for speakers. If there are any people or groups you would like to hear speak, please let me know.

I hope to see you at the meeting on the 8th. If not, I hope you have a wonderful summer and remember everyone in the club is here for you. If you need anything just let us know and we will either help you ourselves or help you find someone whom can.

Cathy Lane, President, Newcomers Club of New Bern

JUNE 2023 ACTIVITY UPDATE

By [Robert Paine](#) / May 31, 2023

As the club year comes to a close, we can look back on so many great activities this year.

We have groups that meet regularly to play a variety of sports and games; create masterpieces in crafts, photos, and creative

writing; take trips to places ranging from downtown New Bern to Asheville to the Kentucky Derby; get together to socialize over food, wine, or books; and we even have a new boating group that's started venturing onto the water for fun (no boat required).

Many of these activities will continue through the summer months. For example, the Day Trips group has scheduled a bicycle tour of New Bern as well as a "Kick off the Summer" day at Atlantic Beach/Fort Macon in June, and the Boating group has several events planned throughout the summer, ranging from a dinner cruise to kayaking.

Check our web site or contact the activity leader for details. And if there's a new activity you'd like to see started or one you'd like to help lead, please reach out to me to discuss the possibilities.

Have a wonderful summer, Ellen Cioccio, Activities Director
